Instructors

This is where you determine the Instructors for a course. Search for the Instructor's name by either First Initial or Last Initial.

The screenshot shows the 'Instructors' management page. At the top, there is a section for 'Currently Assigned Staff Members' with a dropdown menu set to 'Instructor' and the name 'Wright, Jennifer' displayed. Below this is a link for 'Add New Staff Member' and a 'Save' button. Further down, there are two sections for choosing initials: 'Choose First Initial' and 'Choose Last Initial', each with a row of letters from A to Z. At the bottom, there is a 'Staff Members' section with a 'Set Inactive' link and another 'Save' button.

Once you have found the appropriate person, use the drop down to place Instructor next to their name and Save.

The screenshot shows a 'Staff Members' dropdown menu. The menu is open, showing a list of roles: 'Instructor', 'Contact', and 'Host'. The 'Instructor' role is selected, and the name 'Hasslinger, Kevin' is displayed next to it. The name 'Millsap, Kara' is also visible above the dropdown.

If you can't find the appropriate person, it is because **they do not have a resume on file with Jennifer Wright**. Please forward a resume to Jennifer so that instructor can be assigned.

Evaluation

All students will complete an evaluation online. You can use the standard evaluation by selecting the template using the drop down menu.

The screenshot shows the 'Evaluation' management page. At the top, there is a table with three columns: '# Of Questions', '# Of Students', and '# Of Responses'. The values are 0, 3, and 0 respectively. Below the table, there is a 'New From Template:' label followed by a dropdown menu. The dropdown menu is open, showing two options: 'Select A Template' and 'MISD Class Evaluation Form: 5 Questions'. A 'Save' button is located to the left of the dropdown menu. At the bottom, there is a 'Questions' section with a link for 'Add New Question - Manage Templates'.

If you would like to add additional questions, you can do so using the [Add New Question](#) link.

Once the Evaluation section is completed, then your side menu should look like this:

A vertical side menu with the following items from top to bottom:

- Description ✓
- Standards ✓
- Details ✓
- Places & Times ✓
- Fees/CH/Credit ✓
- Instructors ✓
- Classlist
- Attendance
- Evaluation**
- Forms
- Not Posted ▾
- Change

Please email Jennifer Wright that the course is ready to post (she will also be alerted automatically from the system), and after reviewing will do so.
