Memorandum of Understanding
between
Mercer Island Education Association ("MIEA")
and
Mercer Island School District ("District")
Regarding

<u>District Access by Visitors & Volunteers</u>

Visitors and volunteers will be required to follow the standard building procedures for non-staff/non-students to access District sites. All visitors and volunteers must comply with the District's safety protocols as identified in the COVID-19 Response Plan (CRP).

Signage listing typical COVID-19 symptoms will be visible next to the sign-in area. All visitors and volunteers will be required to sign in and sign out at the front office, provide their phone number, identify their destination within the District facility, and affirm they are symptom-free at sign-in.

Volunteers:
District volunteers will complete the Volunteer Training, including material addressing the District's COVID-19 protocol. Before volunteering, volunteers will confirm their vaccination status and, if vaccinated, provide evidence of vaccination. For volunteers at events that are not indoors (e.g., at athletic events), their attendance will be recorded.

Visitors:
Upon entry into a District building, visitors will be advised that they must adhere to the then-applicable safety guidelines.

Nothing in this Agreement shall preclude the entry of a visitor for less than 15 minutes (e.g., to drop off materials for the staff) consistent with the District's COVID-19 Response Plan (CRP).

This is a non-precedent setting Agreement and will sunset on August 15, 2022.
