How to Access Student Docs/Slides/Sheets at Home in Google Drive

Use any browser to search for Google.
Click the apps grid and select Drive

At the log in screen type student account information.
Email: first.last@misd400.org
Password: misd.60---- (Student number)

If prompted choose Organizational G Suite Account
Enter password
Password: misd.60---- (Student number)

Once logged in, you may be in grid or list view. The easiest way to find what you have been working on in school that day is to click the recent button.

Grid View:
List View:

Double click to open the doc edit in browser. You will have more options than you do in the iPad app.

Click the menu icon in the upper left to return to Docs home and close the document before leaving.
