

## **Superintendent's Interpretation of Fundamental 2**

*Approved by the Board of Directors - 11/14/19*

District K-12 curriculum aligns with Washington State Learning Standards including fine arts; health and physical education; English language arts; mathematics; financial education; science; environment and sustainability; social studies; world languages; computer science and educational technology.

MISD selects curriculum that requires the same or higher level of cognitive demand (critical thinking) as is defined in the Washington State Learning Standards.

MISD curriculum aligns with the four learning goals of all academic learning standards in Washington state (referenced below\*) which provide the foundation of learning for every student:

- Read with comprehension, write effectively, and communicate successfully in a variety of ways and settings and with a variety of audiences;
- Know and apply the core concepts and principles of mathematics; social, physical, and life sciences; civics and history, including different cultures and participation in representative government; geography; arts; and health and fitness;
- Think analytically, logically, and creatively, and to integrate technology literacy and fluency as well as different experiences and knowledge to form reasoned judgments and solve problems; and
- Understand the importance of work and finance and how performance, effort, and decisions directly affect future career and educational opportunities.
