

How to add multiple children to your Schoology parent account

If you already have a parent account in Schoology for one child, you can add additional children to your account. To add additional children, please follow these steps:

1. Log into your Schoology account using your username or email address and password.
2. **Click on the down-facing arrow on the top right** of the Schoology account.
3. Select the option to +Add Child.

4. Enter your unique parent code the child you'd like to add to your account.
