

How to Login to Schoology as a Parent

1. Please go to the website: www.schoology.com

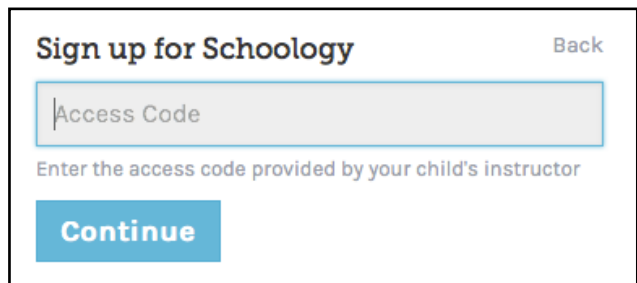

2. Click on the Sign Up button located in the top right corner

3. Click on the Parent icon.

4. Enter in your unique parent code.
If you have multiple children, select one of their access codes to enter. You will add your other children to this same parent account once you complete the initial sign-up.

5. Enter your information.
Recommendations: It would help us a great deal if you used "Mr./Ms./Mrs./or Dr." for your first name. This way we can easily identify you as a parent. This is the name which will appear next to your profile.

The username and password can be whatever you'd like.

Click Register when you're done.
