

Encouraging words for kids

Way to go! That's great!

I think you have a real talent.

This shows you really understand.

Do you know how good this is?

You've made real progress

See? Hard work really does pay off.

Is this the first time you did this? Congratulations!

I can't wait to show this to....

This is a whole new way of thinking about it...good.

Can you tell me how you did it?

I like the way you did that.

I'm proud of you.

You're a natural.

I knew you could do it!

Aren't you proud of yourself?

You're a quick learner.

Well Done!

That part is perfect.

That is a good solution.

You are really creative.

You have great control.

Good Job!

I can see how much time and effort you have put into that.

That was a well thought out choice you made.

I'm impressed with your determination to stick with it.
