

Dear Kindergartner,

Welcome to Room 122! Our names are Mrs. Sundholm and Ms. Golden and we are excited to be your teachers this year. We are going to have so much fun learning together.

Mrs. Sundholm will be your teacher in the morning. I will teach you all about reading and science. One of my favorite times of the year is when we do an author study of Mo Willems. We learn about Elephant & Piggie, Knuffle Bunny, Pigeon and more! We even get to learn how to draw these characters! I can't wait to see how you draw Elephant & Piggie.

Ms. Golden will be your teacher in the afternoon. I will teach you all about writing and math. One of my favorite days in kindergarten is when we celebrate the 100th day of school. We do lots of fun 100 activities like making a snack with 100 treats in it! I bet you will like it too.

I grew up in the Seattle area. I am married and have one son and one daughter. I enjoy reading, gardening and spending time in Chelan. My family and I hiked, swam, and hosted friends from Sweden this summer.
