

Dear Students and Parents in Room 228,

Welcome to 5<sup>th</sup> grade! I hope you are as excited as I am and that this next year you make many new friends, indulge in fresh discoveries, and challenge yourself to continue growing as a learner, all at beautiful Northwood Elementary School!

Let me give you a brief introduction since some of you may not know who I am. I am Ms. LeVeque and this will be my seventh year teaching 5<sup>th</sup> grade! I taught 5<sup>th</sup> grade at West Mercer Elementary for three years and have taught 5<sup>th</sup> graders here at Northwood these last three years; I cannot wait to meet all of you! Beyond my passion for kids and learning, I am a voracious reader, Husky football fanatic, lifelong believer in Disney magic, singer/dancer/performer, and world-traveler. I have lived in or near Seattle for most of my life and I feel most at home with my family and friends, surrounded by water and mountains with a coffee cup in hand. This summer, I went to Disneyland, volunteered at a Young Life camp in Oregon with some awesome high school girls, and spent lots of time playing in the sun with my friends! I can't wait to hear all about your summer!

Fifth grade is an important and memorable year. You will have numerous privileges and responsibilities unique to fifth grade. While you are going to be a leader at Northwood, you will be preparing for middle school. Academically, you will participate in historical simulation games, self-select literature at your reading level, improve your own writing, perform messy science experiments, and dig deeply into mathematical thinking through purposeful math talk and activities. Throughout all of this, you will use technology as a tool to enhance your learning. There are also a variety of field trips and experiences planned just for you this year. The one I am very much looking forward to is visiting IslandWood on Bainbridge Island January 13<sup>th</sup>-16<sup>th</sup>. It will be a fantastic year!

I eagerly anticipate having you in my class and the start of the new school year. All you need for the first day is a backpack, lunch, and a positive attitude. This school year may just be the BEST year of your life! See you on September 4<sup>th</sup>!

Warmly,

Marisa LeVeque
