Student Accounts

Welcome to your King County Library System (KCLS) student account!

Your student ID now provides you with instant access to all of the online resources that KCLS offers.

Here's what you need to know about your KCLS student account:

- Your account number is your School District's three-digit number followed by your student ID (with no dash or spaces).
- You will never have fines or fees on your student library account.

Use your student account to download an eBook or get homework help!

Language learning lessons with reading/writing/listening components.

5. Login using your Student Account. Enter your District's three digit number followed by your student ID number as the *Library Card Number* and the last four digits of your student ID number as the *PIN or Password*. Click "Submit."

The screenshot shows the top navigation bar of the King County Library System website. It includes the logo, a home icon, a menu icon, a calendar icon, and a search icon. On the right side, there are links for "Help", "Hours & Locations", and a red "Log In" button. The main content area is titled "Log In to Premium Databases" and contains a message: "You'll need an active [KCLS library card](#) to use this premium database." Below this, there are two input fields: "Library Card Number" with a label "Barcode, not your username. Include 0s" and "PIN or Password" with a label "Last 4 digits of your phone number if first login." A "SUBMIT" button is located below the second input field. A link for "Forgot your PIN or Password?" is at the bottom.

6. If this is your first time using Mango Languages, click the orange link that says “Create one” to start your own profile.
