

FUNDAMENTALS OF THE 2020 VISION

1. Create a safe and more personalized learning environment where student-centered education is responsive to students' strengths and learning styles, interests and passions.
2. Maintain the highest standards in the areas of fine arts; health/fitness; literacy – reading, writing and communications; mathematics; science; social studies, and world languages.
3. Develop self-awareness, empathy, emotional/social intelligence, responsible decision-making and citizenship.
4. Encourage and enable students to be academic entrepreneurs and risk-takers who can choose to pursue academic passions and interests beyond traditional curriculum and beyond the traditional classroom environment.
5. Cultivate and foster thinking and process skills such as analytical and critical thinking, cross-discipline thinking, creativity, innovation, collaboration, communication, problem- solving, and information and technology literacy in curriculum design.
6. Cultivate Global Awareness ~~and embrace diversity, with a focus on respect, acceptance,~~ and understanding real-world problems, issues, concerns, commonalities, differences and interdependence.
7. Foster diversity, inclusiveness, and equity with a focus on respect and acceptance of every student.
