

Superintendent's Diversity Advisory Committee

May 19, 2017

Topic: Discussion of measurement and indicators for the goals associated with the S-DAC Charter

The following goals were approved at the February meeting and discussion occurred at the April meeting on measures and indicators.

Goals	Measurement/Indicators
The District has adopted a board policy on diversity and implements its components.	Superintendent to annually update the MISD Board of Directors and S-DAC on district progress of its components.
All schools embrace a commitment to social identities, including diversity, equity and inclusion.	<p>Use EES data (or develop other survey questions) to measure each school's commitment to diversity, equity and inclusion. Superintendent or designee to bring examples from Fundamental 7's monitoring report.</p> <p>Annually the Board uses a variety of metrics collected by the Superintendent and shared with the Board on its monitoring of Fundamental 7.</p> <p>Click here for more and look at Fundamental 7: http://www.mercerislandschools.org/domain/1610</p>
Each school develops action plans committed to building and sustaining a school community where teachers, parents, learners and support staff achieve the knowledge, skills and attitudes that value and embrace inclusiveness, equity and awareness as a way to liberate creativity and innovation in pursuit of the District's 2020 Vision and Mission.	Each school will present an update to the S-DAC no fewer than four (4) times each academic year on the progress of its action plans.
