Hello Mercer Island students and families,

King County Library System (KCLS) offers free eBooks and audiobooks to students via their Overdrive website. These books can be read on your devices and your students’ accounts have already been set up. You can access the KCLS library through two methods:

- On an Internet browser, visit [kcls.overdrive.com/library/kids](http://kcls.overdrive.com/library/kids)
- The sign-in option is in the upper right corner of all pages.
- On phones, tablets, or other smart devices, the Overdrive app is available on all major app stores. Once the app is installed, choose to sign-in with your library card and do not choose the under-13 sign-in option.

You will be required to enter a library card number and PIN to sign-in.

- The library card begins with 400 and ends with your student’s six-digit student ID number.
- The PIN is the last four digits of your student’s ID number. (If you do not know your student ID number please contact your school librarian.)
- For example, if a student’s ID number is 123456, their library card is 400123456 and their PIN is 3456.

Further information and assistance go to [help.overdrive.com](http://help.overdrive.com) or contact one of the librarians below. We hope you enjoy reading and exploring!

Sincerely,

The Mercer Island School District librarians:

Molly Harnish  [mailto:molly.harnish@mercerislandschools.org](mailto:molly.harnish@mercerislandschools.org)
Barb Middleton  [mailto:barb.middleton@mercerislandschools.org](mailto:barb.middleton@mercerislandschools.org)
