Now is the time to follow the wind,
to walk alone.
And a star will show the way,
above the clouds, beyond the sea.

\[ \text{very gradual crescendo} \]

And now and fare-
well,
and as we part you taught me well, you

gave me strength, you showed the way;
I’ll not forget you.
Forcefully—with a strong even 8th pulse

Like an eagle I will soar above the clouds: I will spread my wings and fly into the sun.

Like an eagle I will race above the stars: I will fly to places yet unseen, go beyond my wildest dream, know that you are watching over me alone. I can fly with the eagle to the mountain high, race with the eagle to the rising sun and soar with the eagle so far beyond my dreams; like an eagle I will spread my wings and fly into the sun.

Broadly, with a strong rhythmic pulse

Like an eagle I will soar above the clouds: I will fly.
