Retirement Planning Checklist

Washington State Department of Retirement Systems

The earlier you begin planning for retirement, the better prepared you will be. If you haven't already sought financial planning advice, now is a great time. The checklist below can help you successfully transition into retirement. You might be able to increase your retirement income or even retire sooner than you had planned.

^{*} Because of the decreasing number of active Plan 1 members, DRS is offering fewer Plan 1 retirement planning seminars. To see the schedule of seminars, visit www.drs.wa.gov/seminars. To watch a seminar online, visit www.drs.wa.gov/multimedia/seminars/seminars.htm. DRS no longer offers LEOFF Plan 1 or WSPRS Plan 1 seminars. WSPRS and LEOFF Plan 1 members who are within five years of retiring can call DRS at 360-664-7000 or 800-547-6657 to schedule a one-to-one planning session with a Retirement Specialist. That session can be in person, over the phone, or via Skype or another available videoconferencing tool. WSPRS Plan 1 members can also ask their union representative(s) to contact DRS to set up a group retirement planning seminar.
