Happy Earth Day!

Monday is, Happy Earth Day! Fact for Monday, did you know that roughly one third of all food is wasted each year? If wasted food were a country, it would be the third largest producer of carbon dioxide after China and the US. What can you do? Try to take only what you can eat and do not reject ugly fruits and veggies, that weird looking apple probably still tastes delicious.

International Entrepreneurship

Calling all teachers! On Wednesday, April 24th, we will be celebrating Earth Day in BRIDGES! In honor of this, the International Entrepreneurship class and the Green Team will be teaming up to bring your BRIDGES class donuts. To get donuts please fill out the form that Mrs. Tapp emailed out for your BRIDGES class, all information is on the form.
