Community Service Awards

The MIHS Community Service Awards Program is organized by the MIHS Counseling Center in partnership with the MIHS PTSA. This is an award that any Senior or Junior may apply for and it's based on community service hours performed throughout the student's high school career beginning the first day of 9th grade.

At graduation, MIHS Community Service Award recipients are given a pin to wear on their gown. The deadline for submitting hours in time to receive a pin at graduation is April 30. Go to the Counseling Department website and click on the Community Service Awards link. **Please note:** it is the student's responsibility to provide documented verification of hours worked (e.g., a certificate or an email or letter from a supervisor).

Happy Earth Day

Happy Earth Day! Environmental Fact of the Day: Did you know that food waste that is buried in a landfill causes the production of methane- a greenhouse gas that is over 25 times stronger at trapping heat than carbon dioxide. What can you do? Throw your leftover food in the compost bin instead of letting it get dumped in the landfill.
