Testing Sophomores and Juniors:

Sophomores

Attention all 10th grade students! Today, May 23, you will take the Smarter Balance Assessment in English and Math starting at 8:00 AM. Please find your name on the blue posters in the main school entrance to see what room you will be testing in - be sure to check to see if you will be in the same room for both tests. It is important to bring your own earbuds (earbuds will be provided if you forget them) and make sure your iPad is fully charged each day. Upon finishing the test, you will need to bring a book to read or something else to work on. Once you submit your test, you will have to turn in your iPad to the proctor until the testing is over at 10:15 AM and then it will be returned to you. If you have any questions, please stop by the main office to speak to Ms. Foster.

Juniors

Attention Juniors! Please check the blue posters in the main school entrance to see if you need to take the Smarter Balance Assessment in English and/or Math today, May 23. You should have received a letter in the mail indicating if you had to take one or both of the tests. If so, make sure you bring a fully charged iPad and your own earbuds to the test. If you have any questions, please stop by the main office to speak with Ms. Foster.
