### **Attention Islanders!**

From June 4th to June 11th, business communications students Julia Hauge, Emily Patacsil, and Olivia Tomaselli are hosting a clothing drive to donate to Mary's Place, a homeless shelter for women and their children. Go Islanders!

### **Charity Donut Sale**

Do you want to help support people in need? Are you hungry? Would you like to buy tasty donuts? If so, please come purchase donuts, Friday, June 7th outside of MIHS before school and in the Commons during both lunches. The Mercer Island Management and Technology Club is hosting the event. All proceeds will be donated to support people in need. Donuts are \$1.50 each and will be fresh straight from Krispy Kreme. Change can be provided. Everyone is welcome to purchase one/multiple donuts. Come support those in need and treat yourself to a delicious donut Friday, June 7th before school and during lunch in the Commons. Thank you for your generous support!

### **Medication Pick Up Reminder Notice:**

Do remember to pick up your medications on your last day of school attendance in June. **All medications left at school after 12 noon on June 21<sup>st</sup> will be destroyed per district policy and state law.** Medications cannot be kept at school over the summer. I strongly advise setting a cell phone reminder to pick everything up. Should you require additional time or you are attending summer school, make arrangements with the nurse in advance (email, phone call or stop by the nurse's office).

### **Seniors:**

Any emergency medications that you may have on file will be sent to graduation and then to the Senior Party, unless you make arrangements with the nurse. You may pick up your medications as you leave the party. Should you forget, the medications will be returned to the health room and may be picked up **until 12 noon on June 21<sup>st</sup>.**

### **Clubs:**

#### **Asian Collective**

On Wednesday, after school, in room 415, the Asian Collective will be hosting a dumpling party. Everyone is welcome.

#### **Management and Technology Club**

Do you like creating new ideas? Would you like to turn them into a business? Are you interested in becoming an entrepreneur and starting your own company or organization? If so, please join the Management and Technology Club today, June 4<sup>th</sup> during both lunches in the LPR. Food and drinks will be provided. Come hear our presentation of entrepreneur Michael Appleby. This is an opportunity for students in business classes to earn leadership points and a great opportunity in general for anyone who wants to learn about being an entrepreneur and turning simple concepts into business-viable products. Again, today, June 4<sup>th</sup> in the LPR during both lunches. See you there!
