Do remember to pick up your medications on your last day of school attendance in June. **All medications left at school after 12 noon on June 21st will be destroyed per district policy and state law.** Medications cannot be kept at school over the summer. I strongly advise setting a cell phone reminder to pick everything up. Should you require additional time or you are attending summer school, make arrangements with the nurse in advance (email, phone call or stop by the nurse's office).

Any emergency medications that you may have on file will be sent to graduation and then to the Senior Party, unless you make arrangements with the nurse. You may pick up your medications as you leave the party. Should you forget, the medications will be returned to the health room and may be picked up **until 12 noon on June 21st.**
