Green Team

The Green Team received the Sustaining Green Schools award for Mercer Island High School and its work to improve the waste reduction and energy conservation. Some of the actions of the Green Team undertook to help improve the school's sustainability were to plan an Earth Day Bridges lesson, add additional signage to the Commons and to post "Turn Off the Lights" reminders throughout the building. They ended the year with a "Trash on the Tarp" event to analyze a sample of trash and recycling containers for sorting accuracy to provide data for improvements we can make next year. Officers Lindsey Shi, Mary Vanderwall, Sarah Gest, Yve Sharples and Juliet Hong helped provide great leadership in helping the school receive this recognition.

Congratulations to senior Anna Zink on receiving Student Achievement in Hair and Make-up Design for *Into the Woods!* She took the show on (in addition to the two shows following, *Metamorphoses* and *Much Ado*), and came up with individual designs for each of the characters in the show. We are very proud of her work and creativity through the course of the year!

Get excited Islanders! Today is Summer Kickoff from 3-5pm in the amphitheater. Come pick up your yearbook, listen to KMIH, eat great food, set school records, witness epic dodgeball, and have a spirited time! Please bring cash to purchase food! All profits will go to the Seattle Humane!

Attention Islanders!

Today and tomorrow, business communications students Julia Hauge, Emily Patacsil, and Olivia Tomaselli are hosting a clothing drive to donate to Mary's Place, a homeless shelter for women and their children. You can donate your lightly used clothes in your first period class. The first period class that donates the most clothes will receive boxes of cookies. Thank you and go Islanders!

Prom Pictures

Prom pictures are now available in the Main office.

Medication Pick Up Reminder Notice:

Do remember to pick up your medications on your last day of school attendance in June. **All medications left at school after 12 noon on June 21st will be destroyed per district policy and state law.** Medications cannot be kept at school over the summer. I strongly advise setting a cell phone reminder to pick everything up. Should you require additional time or you are attending summer school, make arrangements with the nurse in advance (email, phone call or stop by the nurse's office).

Seniors:

Any emergency medications that you may have on file will be sent to graduation and then to the Senior Party, unless you make arrangements with the nurse. You may pick up your medications as you leave the party. Should you forget, the medications will be returned to the health room and may be picked up **until 12 noon on June 21st.**

Seniors:

Senior Check-out Process

Seniors, the check-out processes must be completed today before the Senior Assembly.
