Green Team

The Green Team received the Sustaining Green Schools award for Mercer Island High School and its work to improve the waste reduction and energy conservation. Some of the actions of the Green Team undertook to help improve the school's sustainability were to plan an Earth Day Bridges lesson, add additional signage to the Commons and to post "Turn Off the Lights" reminders throughout the building. They ended the year with a "Trash on the Tarp" event to analyze a sample of trash and recycling containers for sorting accuracy to provide data for improvements we can make next year. Officers Lindsey Shi, Mary Vanderwall, Sarah Gest, Yve Sharples and Juliet Hong helped provide great leadership in helping the school receive this recognition.

Achievement in Hair and Make-up Design

Congratulations to senior Anna Zink on receiving Student Achievement in Hair and Make-up Design for *Into the Woods!* She took the show on (in addition to the two shows following, *Metamorphoses* and *Much Ado*), and came up with individual designs for each of the characters in the show. We are very proud of her work and creativity through the course of the year!

School Community:

Yearbooks

Yearbooks are available for pick up during both lunches in room 502 today through Monday the 17th. Please do not ask to get your book at any other time.

MIHS Authors and Artists

If you submitted physical copies of artwork or writing to the Pegasus magazine and you want them back, please see Mr. Randolph. Thanks for sharing your work!

Go Islanders!

LGBTQ

June is Pride month! You can learn about and celebrate notable folks in the LGBTQ community on the display boards outside the photography room this month. Happy Pride to everyone in the Mercer Island LGBTQ community!

Attention Islanders!

Today, business communications students Julia Hauge, Emily Patacsil, and Olivia Tomaselli are hosting a clothing drive to donate to Mary's Place, a homeless shelter for women and their children. You can donate your lightly used clothes in your first period class. The first period class that donates the most clothes will receive boxes of cookies. Thank you and go Islanders!

Medication Pick Up Reminder Notice:

Do remember to pick up your medications on your last day of school attendance in June. **All medications left at school after 12 noon on June 21st will be destroyed per district policy and state law.** Medications cannot be kept at school over the summer. I strongly advise setting a cell phone reminder to pick everything up. Should you require additional time or you are attending summer school, make arrangements with the nurse in advance (email, phone call or stop by the nurse's office).

Sports:

A variety of sports summer activities will be starting this week or next week and go into July/early August. If you are interested in any of the Fall Sports summer activities, please visit each sports' individual website, through the Mercer High School website under Athletics-Sports by season to see the teams' schedule. If you have additional questions, you are encouraged to email the head coach directly or stop by the athletic office.
