The Laramie Project

Come join the Drama department in their winter play, *The Laramie Project*. In October 1998 Matthew Shepard's brutal kidnapping and murder in Laramie, Wyoming rocked the nation's core, forcing conversation and action around hate crimes. The Tectonic Theatre Company interviewed the members of Laramie shortly after the event and wrote this play. The students of Drama 2 will be performing starting this week! Performances run January 30th-February 1st and February 6th-8th at 7pm, and February 1st and 8th at 2pm. You can purchase \$10 tickets from members of the cast or during both lunches. Tickets are \$15 at the door. Come be a part of an important piece of storytelling.

Come to a talk this Friday, Jan 31st, during both lunches in the LPR. Mark Aggar will talk about his work with Microsoft's Sustainability Group, where he was the Senior Director of Technology Strategy for 6 years. Lunch is provided.
