### PTSA

Juniors!

PSAT Testing is tomorrow, Wednesday, October 13th at MIHS.

Check in at 7:45am outside your Islander Hours Classrooms, except Mr. Cree and Ms. Torrey's groups - you'll be testing in the West Gym.

- Students with College Board approved accommodations - please check-in inside the Library instead of your Islander Hour Classroom.
- If you're not sure where to go, check in at the main office!

Testing for all begins at 8:00am sharp and late arrivals can't test, so set your alarm and don't be late! The test ends around Noon, or after lunch for those with accommodations.

Here's what you need to bring:

- Photo ID
- Acceptable Calculator (See the student guide for the list)
- 2 sharpened #2 pencils with eraser - No mechanical pencils
- Bring a lunch if you are testing with accommodations

See Mrs. Hanson in the Library with questions!

## **Washington State Healthy Youth Survey**

Our school is participating in the Washington State Healthy Youth Survey (HYS). The survey will be given to students in Grades 10 and 12 on October 20, 2021 during their Islander Hour class. Grades 9 and 11 will be engaging in alternate Islander Hour activities while sophomores and seniors take the Healthy Youth Survey. The survey results will be used by our school, our larger school community, and state agencies to plan programs to support MIHS students and reduce their risks. Participation in the survey is 100% voluntary and your answers will be anonymous. Any student may decline to participate or may choose to skip any question they prefer not to answer. In an upcoming Islander Hour class, you will be receiving more information about this survey. In the meantime, if you have any questions about the survey, please contact Associate Principal Deen in the front office.
