

**Single Sign-On technology allowing teachers and students  
access to everything they need with just one login!**

Dear MISD K-5 Parents,

We are pleased to share that we have adopted ClassLink, a single sign-on platform that will allow teachers and students to use one username and password to access cross-curricular subscription tools and online programs.

You can learn more about ClassLink at [www.classlink.com](http://www.classlink.com) and see why we feel it's so important to create faster, easier access to digital education resources that your children need to be successful.

Over the years, one of the challenges we have faced is how to consistently and thoroughly communicate with families to let them know which online tools are approved and available to MI students for access at home. With ClassLink, you will be able to see a grade level specific dashboard for your child housing these programs with one single log in for all. *(The one exception is the RAZkids online reading program at K-1. A letter letting you know how to access this will come directly from your child's teacher.)*

**Here is how to access your child's account at home:**

1. Go to this website: <https://launchpad.classlink.com/mercer>
2. You may also download the ClassLink app to use on mobile devices. (Just type "mercer" into the search field once you open the app on your device to find our District)
3. K-2 students sign in with a quick card provided by the teacher  
3-5 students sign in with Google. Use student's first.last@misd400.org district account.

ClassLink is a safe, secure way for students to connect with applications and files. The software does not collect or share any personal student information, which is important to us. Best of all, it is very easy to use and will be a great resource for teachers and students.

If you have questions, you can contact your school's Instructional Technology Coaches:

**K-2** Kara Millsap [kara.millsap@mercerislandschools.org](mailto:kara.millsap@mercerislandschools.org)

**3-5** Julie Hovind [julie.hovind@mercerislandschools.org](mailto:julie.hovind@mercerislandschools.org)

or email ClassLink directly: [support@classlink.com](mailto:support@classlink.com).

Thank You!

*K-2 parents – One tip to give you is to take a picture of your child's quick card with your phone and save the image in a favorites folder. That way you can always have access to their ClassLink account if you accidentally misplace the card.*
